

**GDP Growth**  
adjusted for inflation

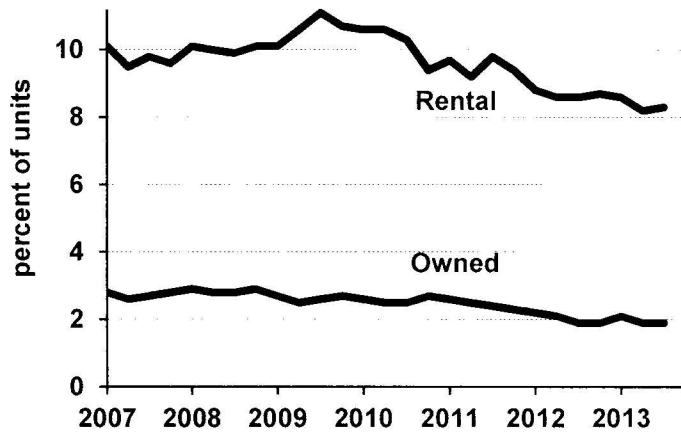

*Decent, but not enough to celebrate.*

**Consumer Sentiment**

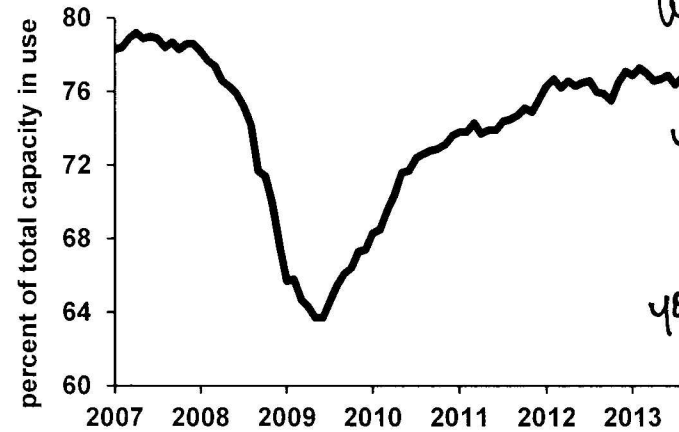

*Staying glum even after the government re-opened.*

**Housing Vacancy Rates**

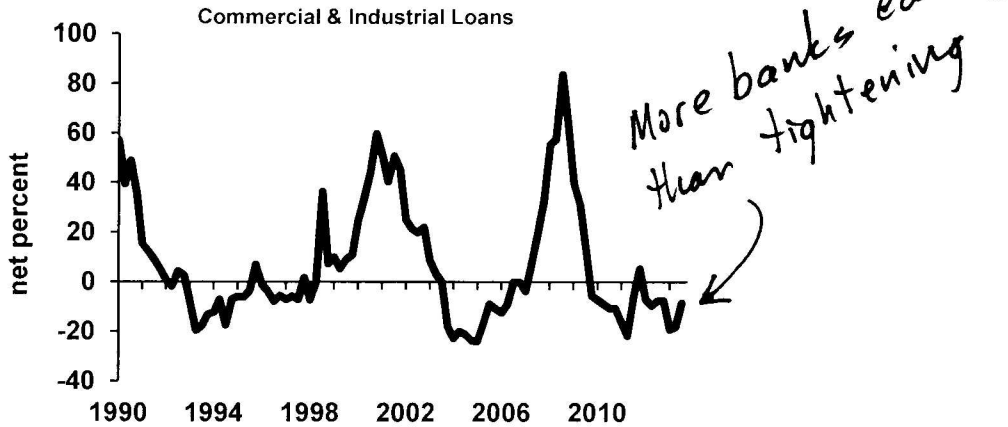

*Still a little above normal.*

**Capacity Utilization: Manufacturing**

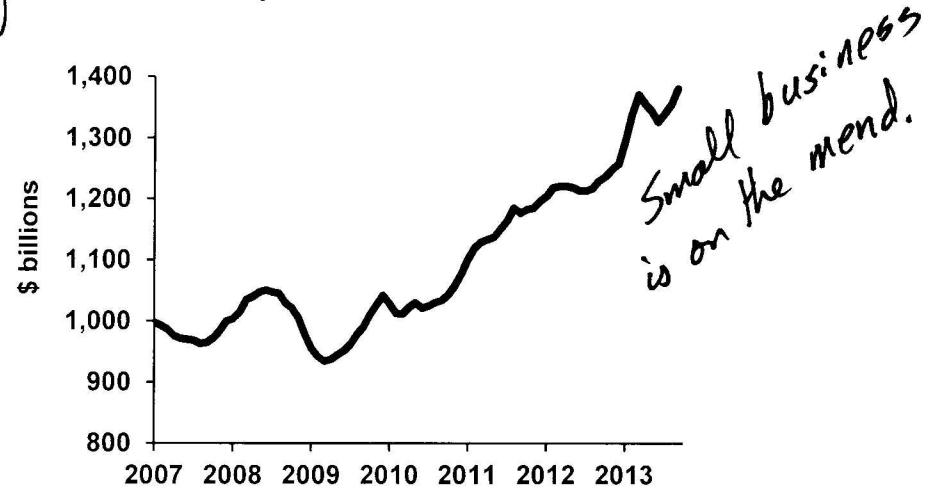

*Would a happy surprise put you at full capacity? Do you have a contingency plan for that?*

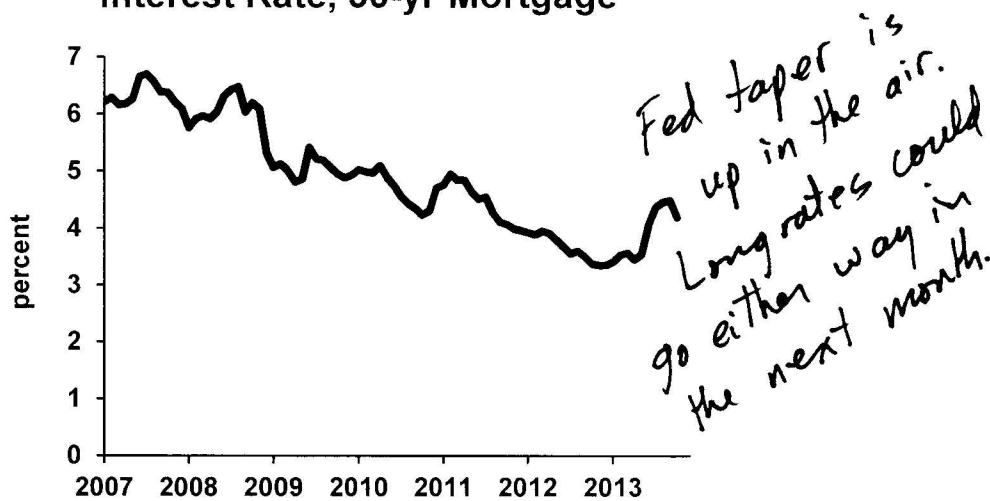

**Banks Tightening or Easing Credit**

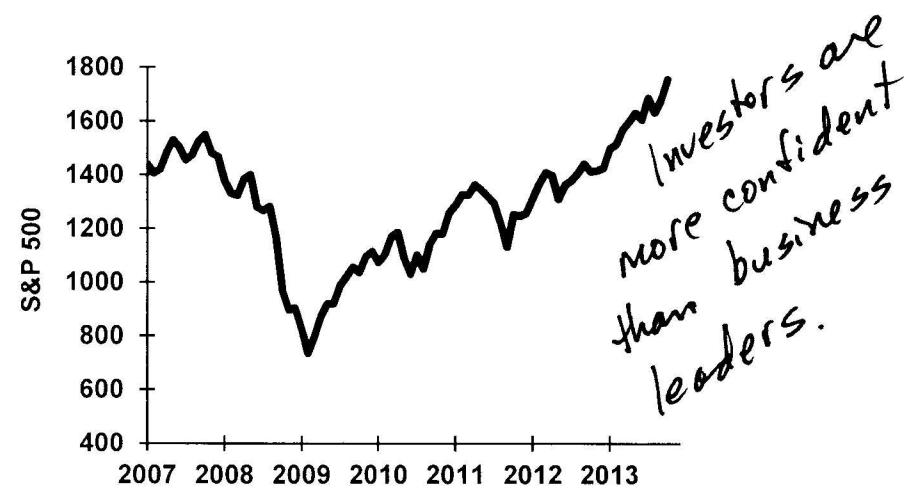

**Proprietors' Income**

**Interest Rate, 30-yr Mortgage**

**Stock Market**

**Consulting**

**Conerly Assessment of Performance**

**Opportunity:** Every CEO has a long to-do list; what items should be on top? The CAPO guides leaders to where their time can generate the strongest performance improvement. The product is in beta, and I'm looking for guinea pigs running companies with sales from \$10 million to \$250 million.

*Give it a try.*

**Resilient Business Plans for an Uncertain**

**Economy.** Instead of betting your business on one view of the future, develop action plans that reflect the inherent uncertainty of the economy, technology and social attitudes. I can help you do that.

**Free Resources**

**Forbes.com:** Dr. Conerly's current insights into the economy--and what business leaders should have on their to-do lists.

**Data:** Links to many data sources are at [www.ConerlyConsulting.com/links.php](http://www.ConerlyConsulting.com/links.php)

**Speeches**

**Speeches:** Dr. Bill Conerly speaks regularly to audiences large and small, always using his well-known sense of humor.

*And I'm really good.*

**Hands-on Workshop,** "Resilient Business Decisions in an Uncertain Economy," has earned rave reviews in Portland, Nashville and Nassau. Bring it to your company or association now.
