Job growth is here!

ISM Index

formerly Purchasing Managers Index

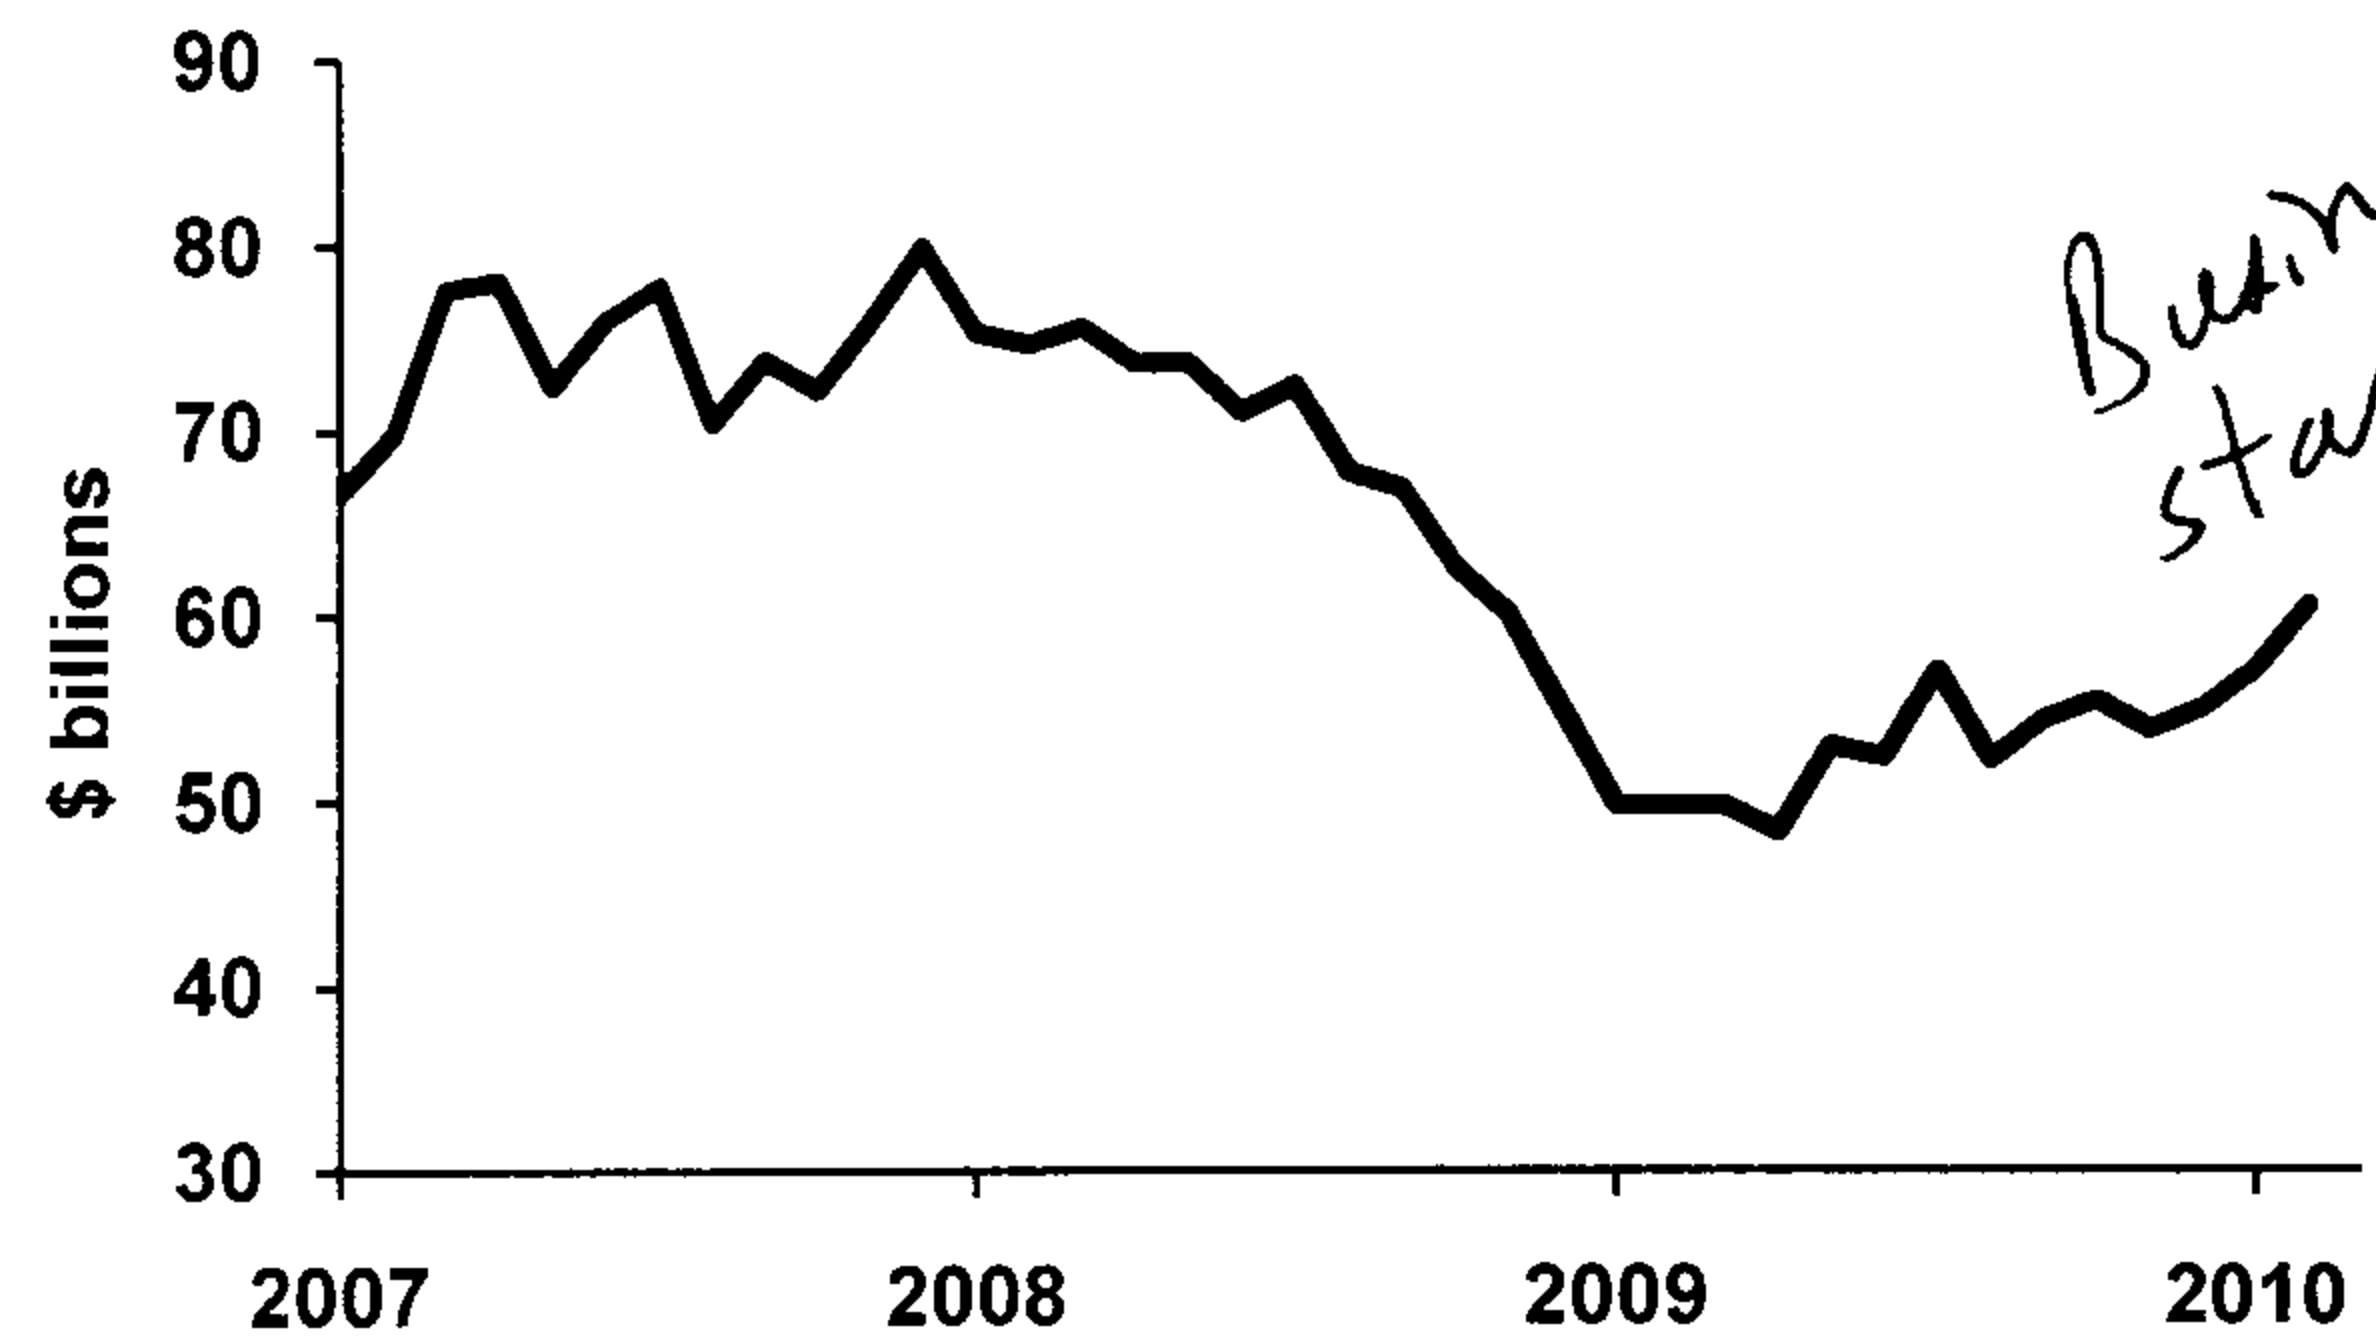

More signs of strength.

Retail Sales

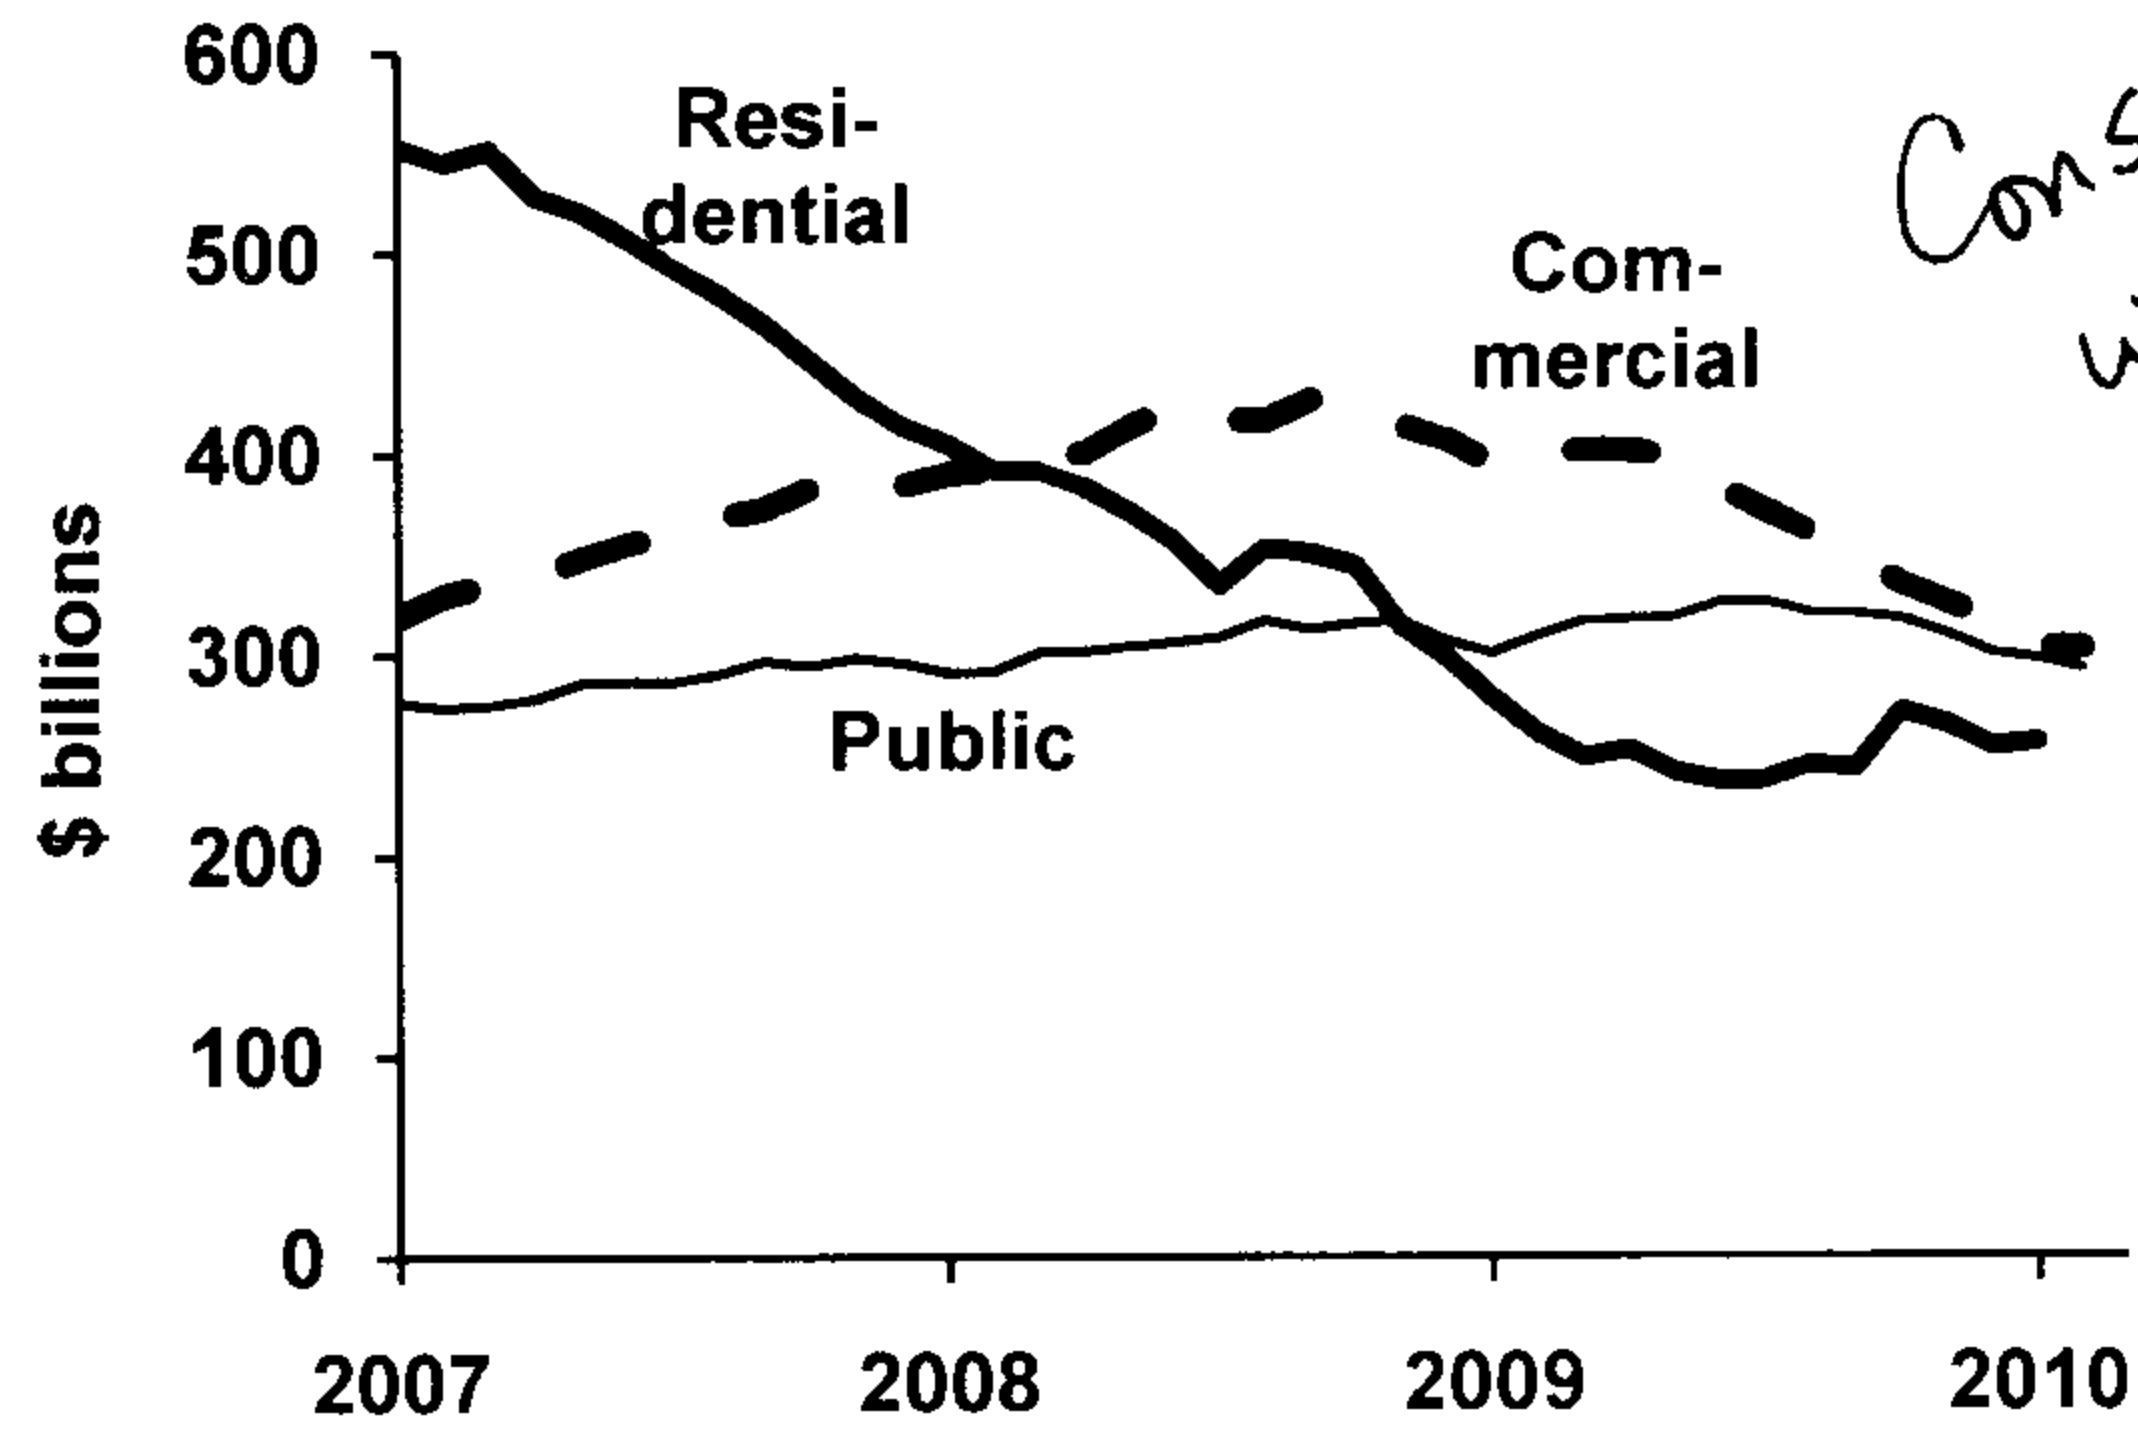

Consumers gradually increasing spending, which is perfect.

Business Equipment Orders

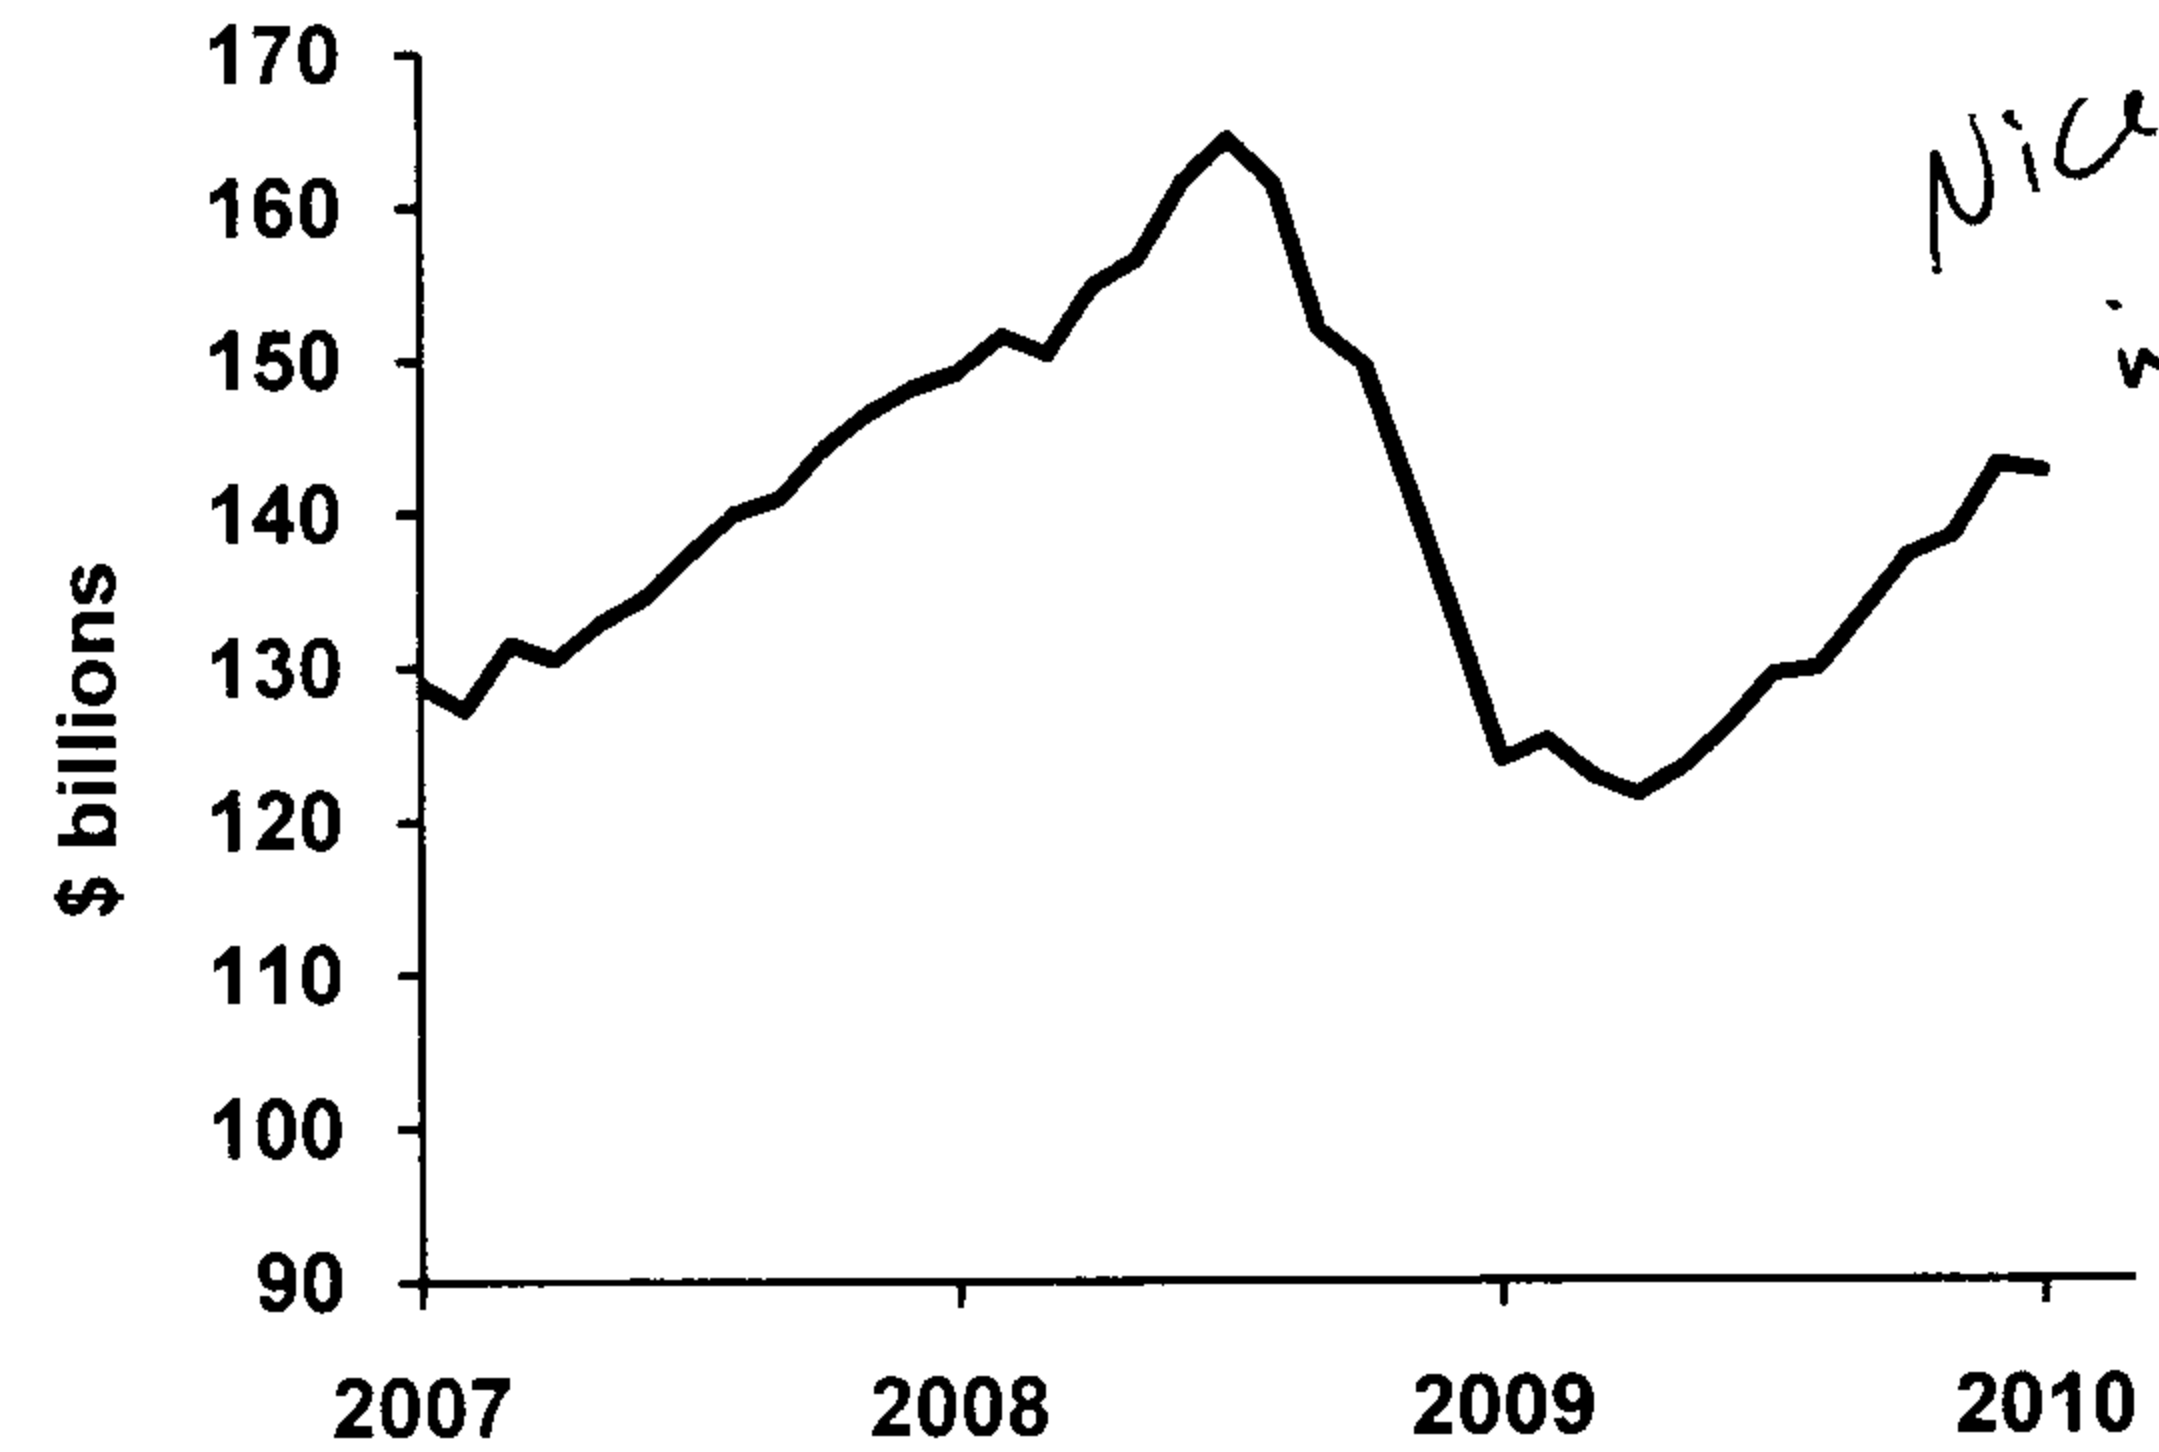

Businesses starting to spend more.

Construction

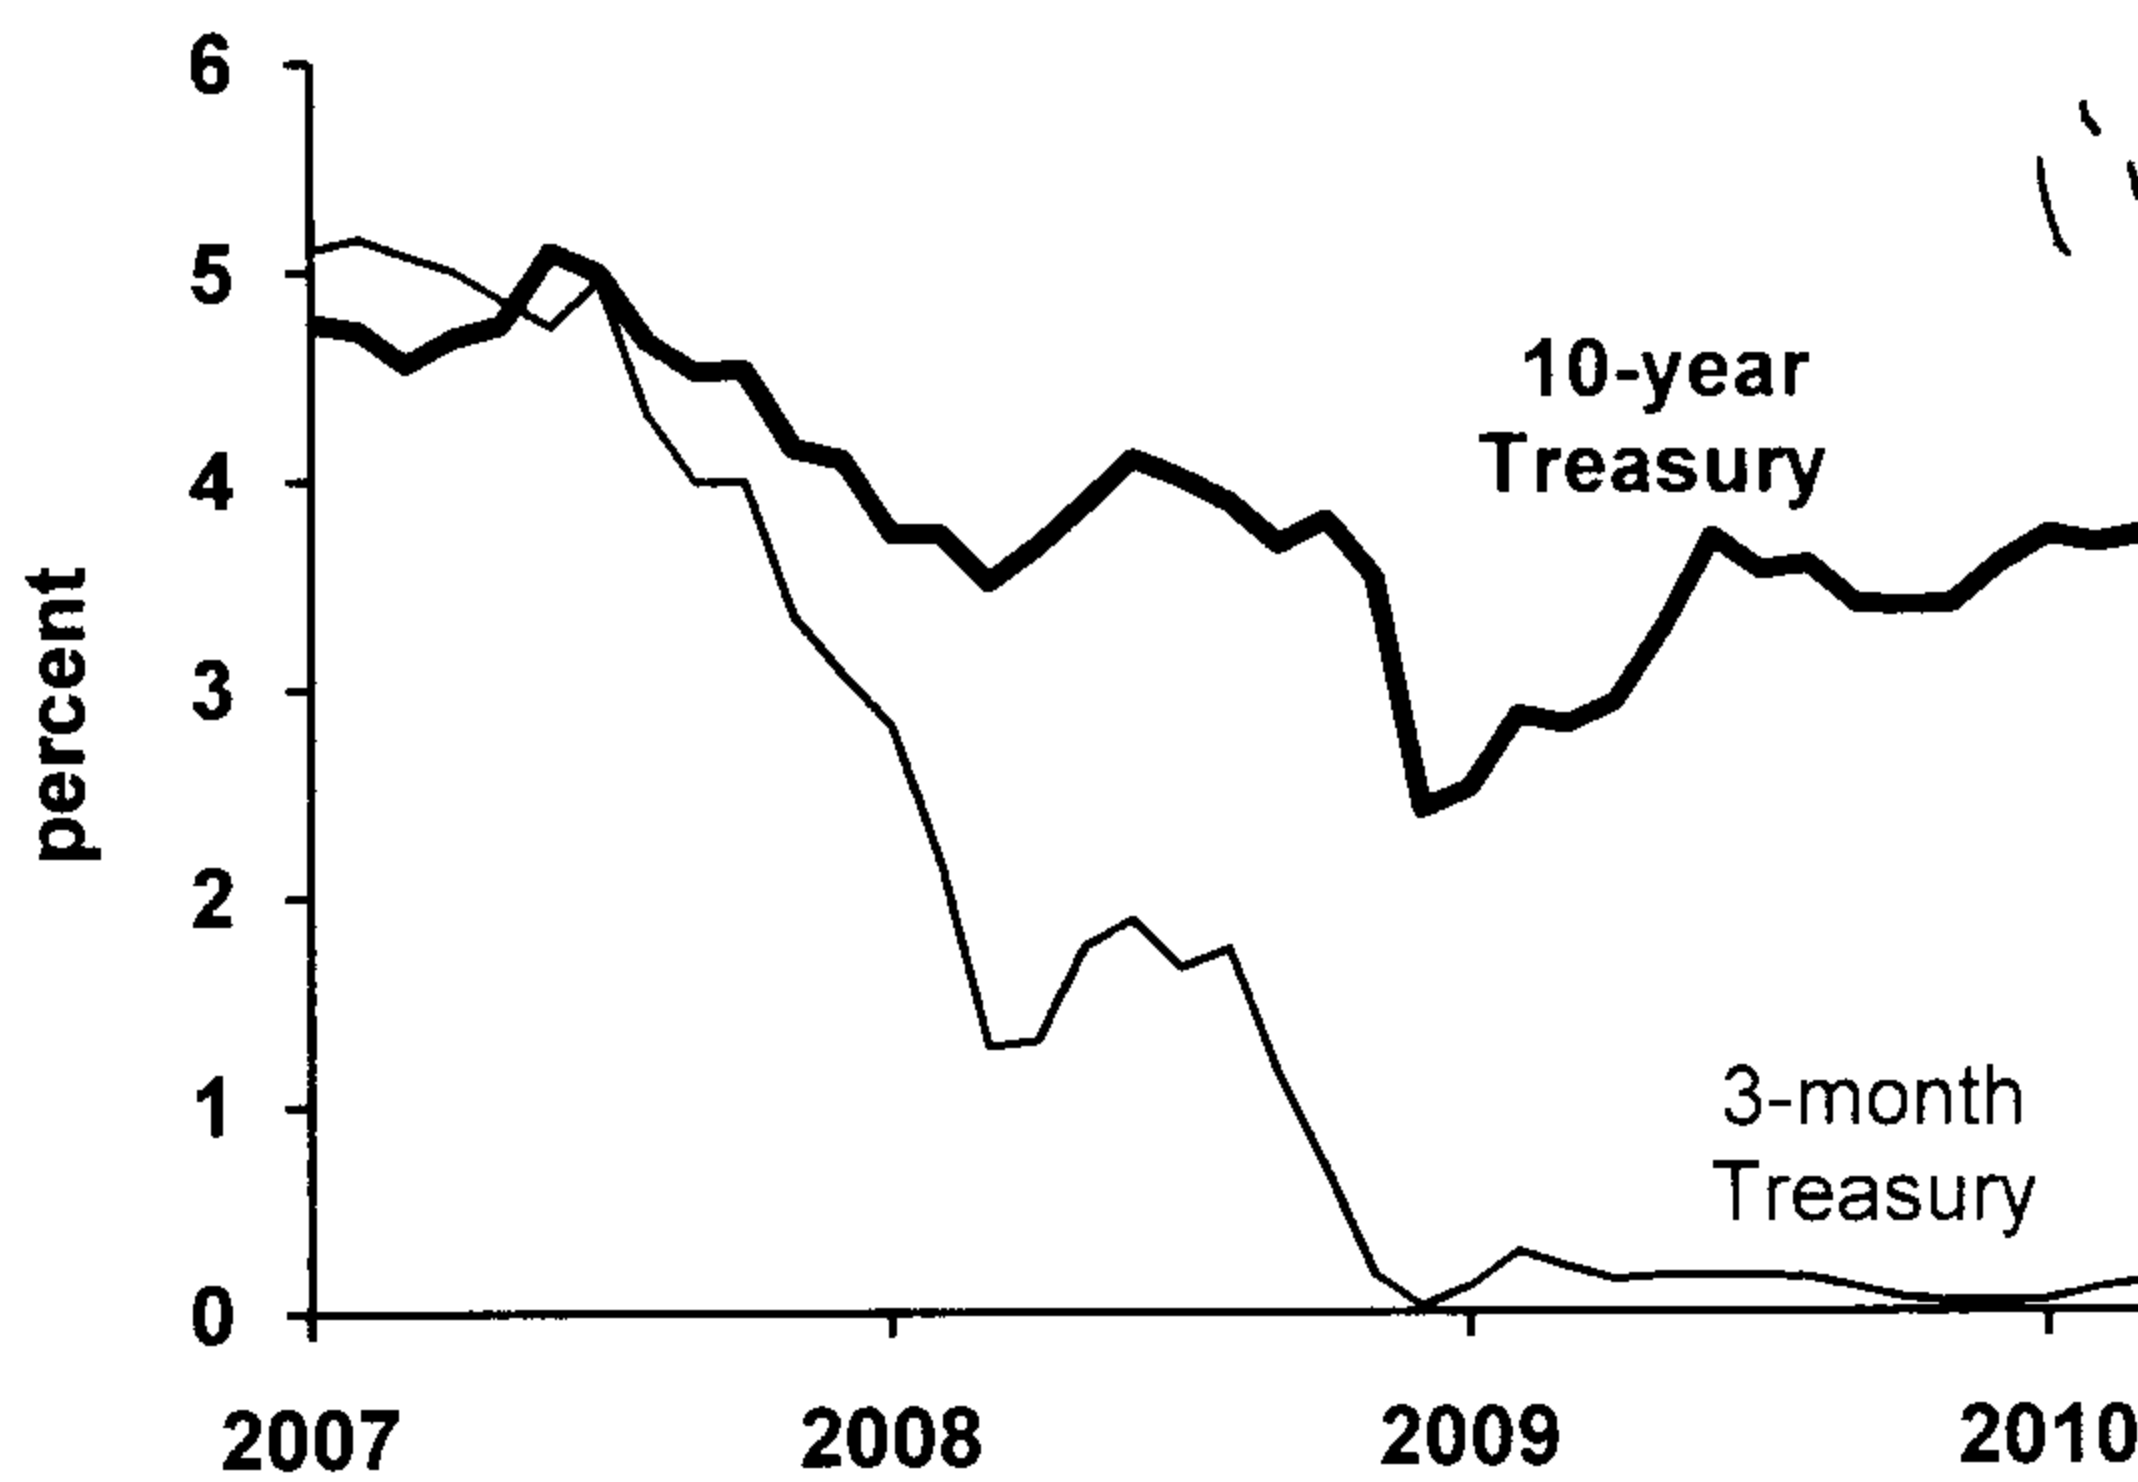

Construction will be soft everywhere except public works.

Exports

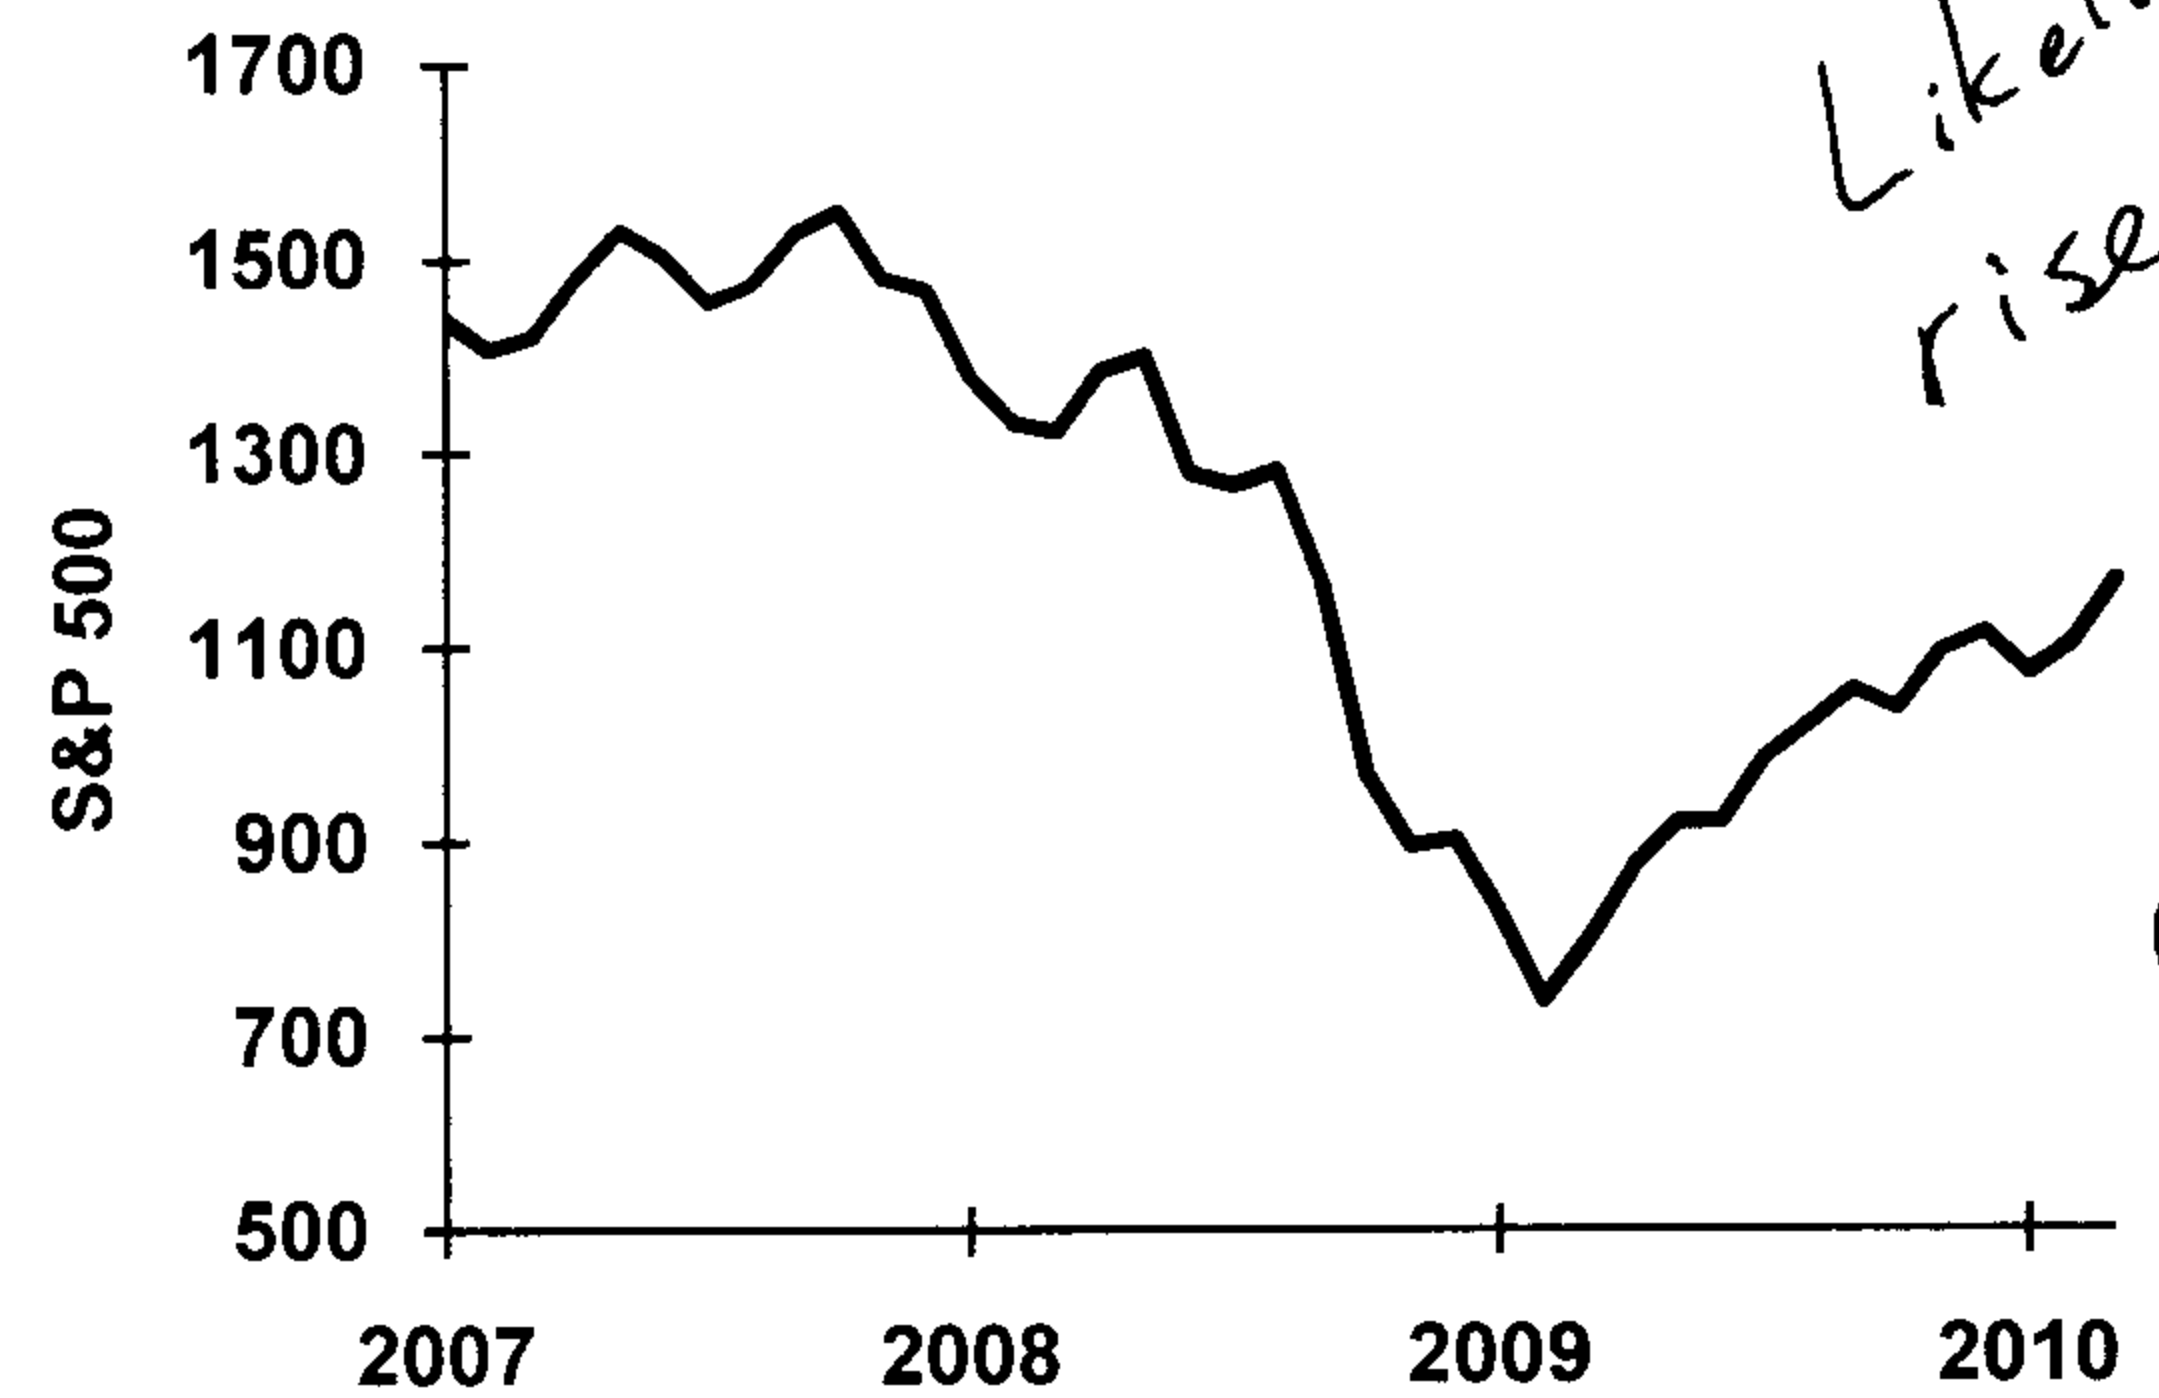

Nice rebound in exports.

Interest Rates

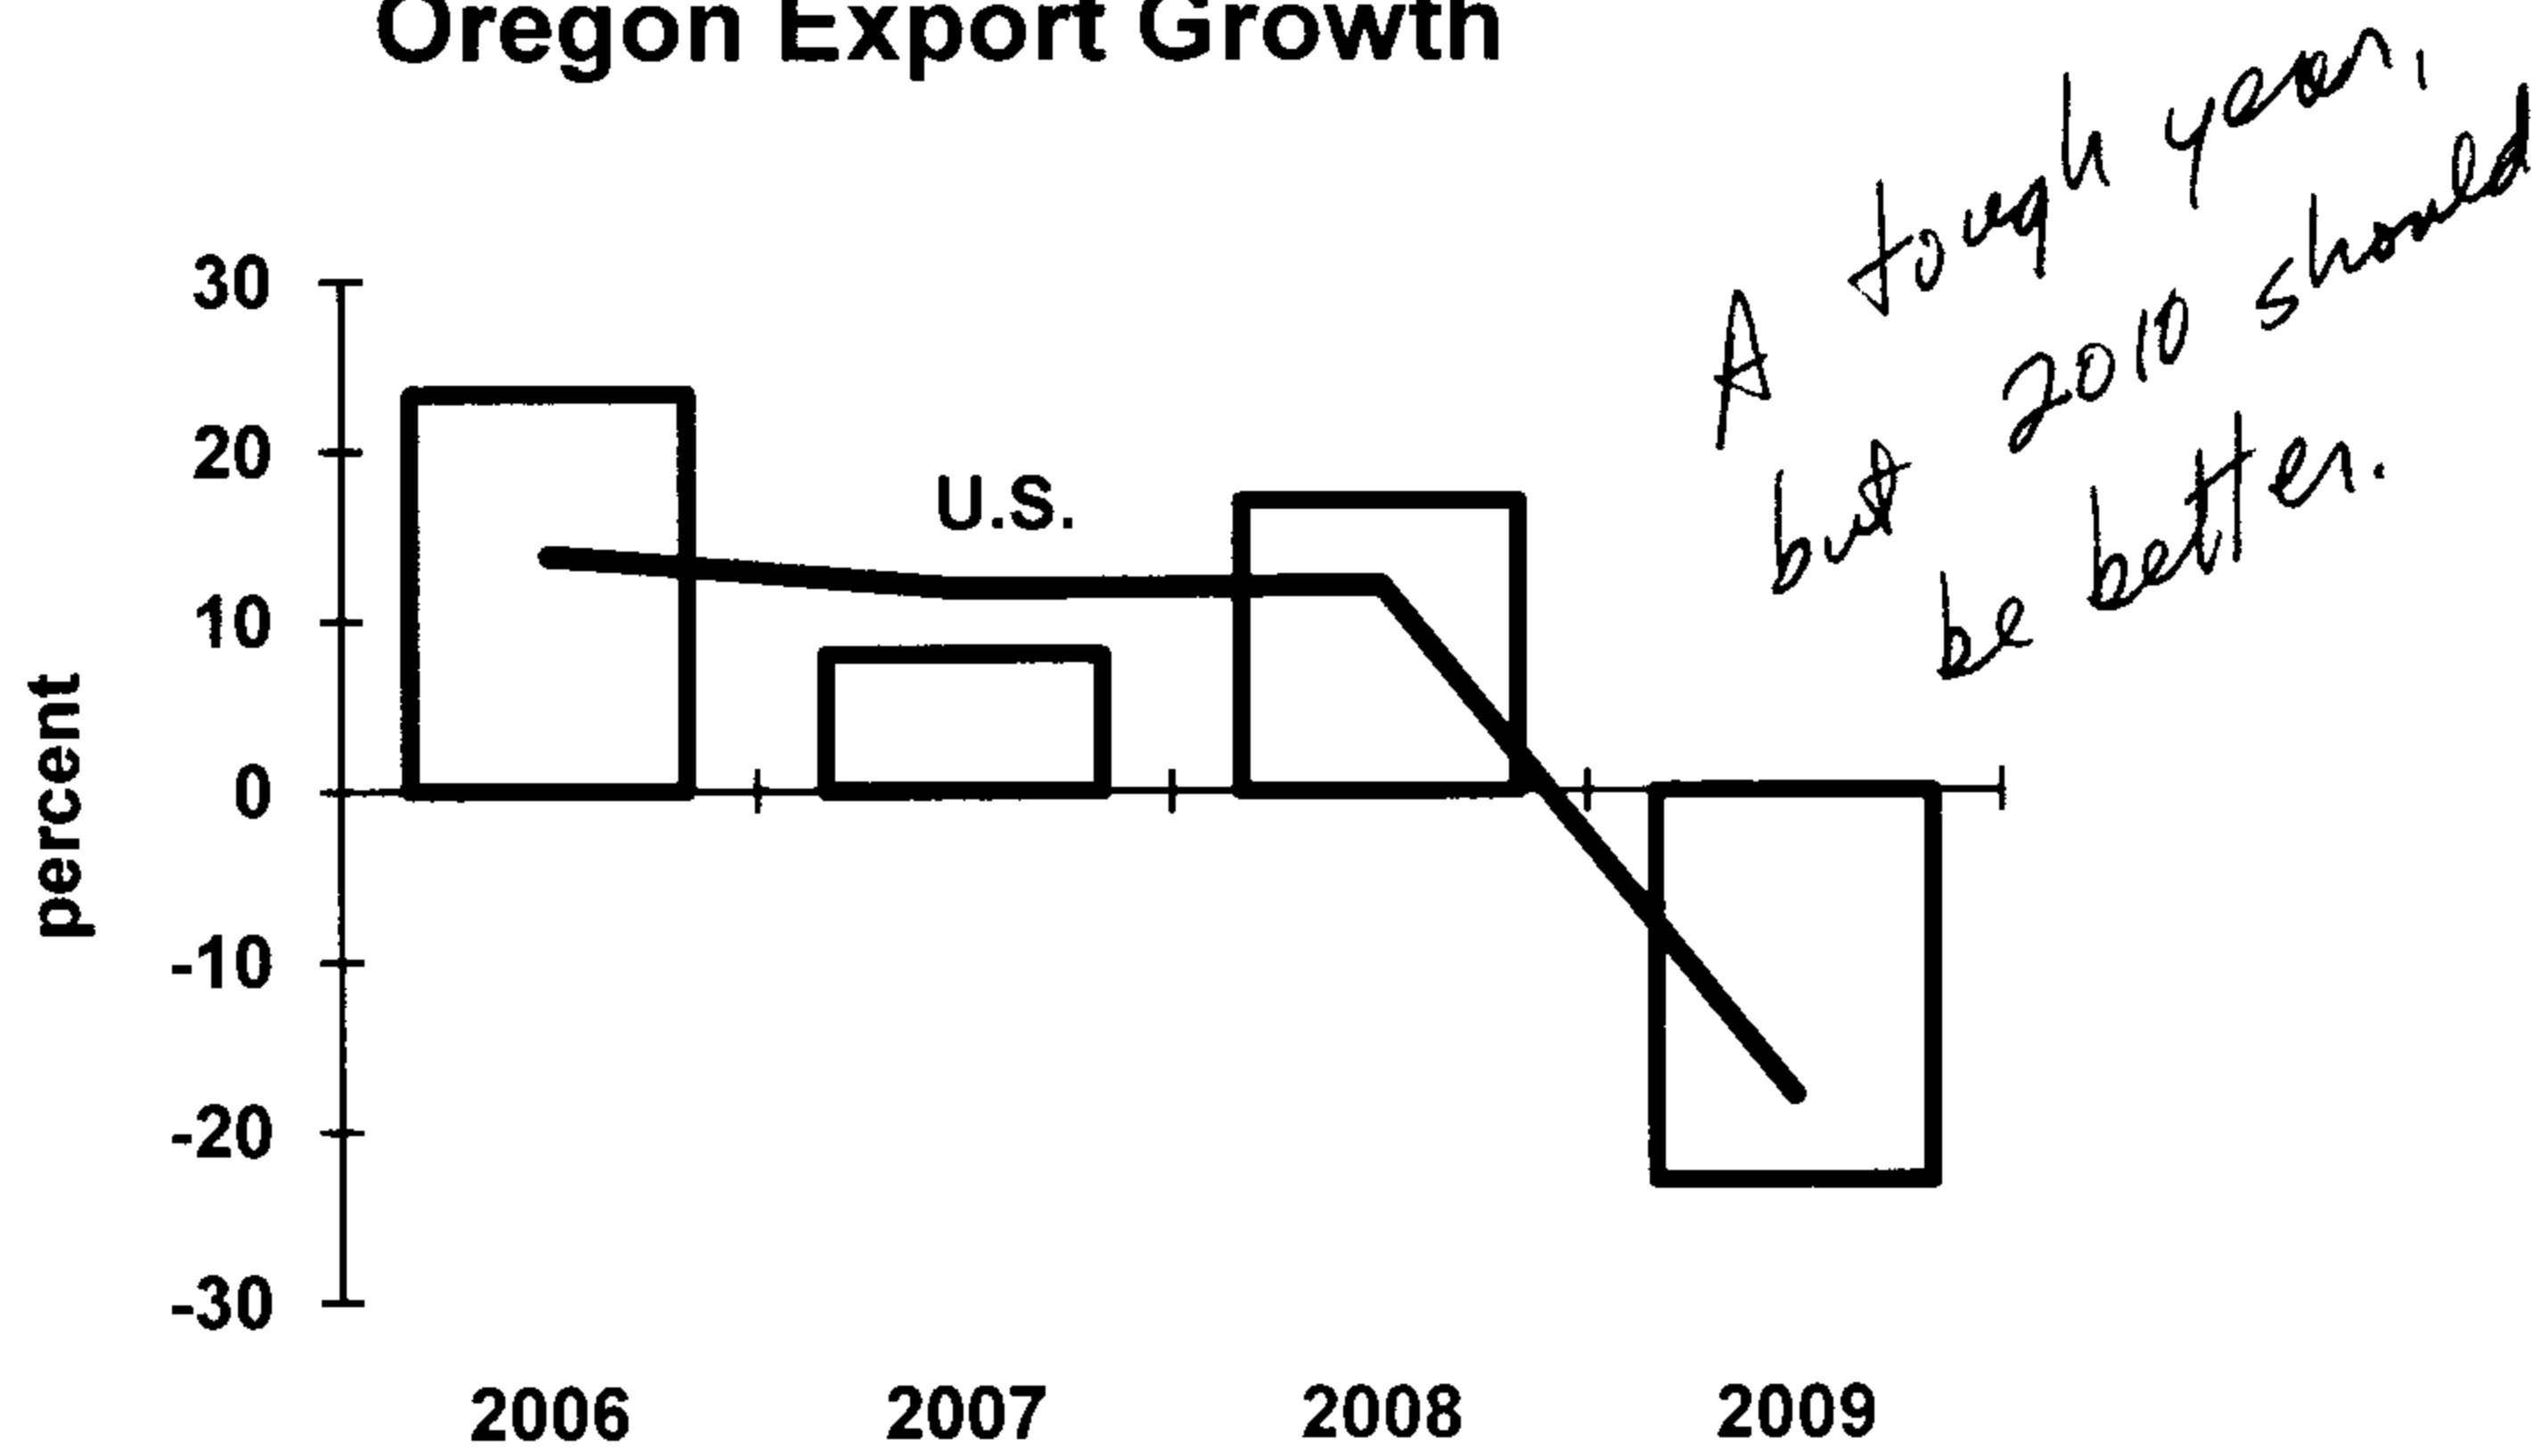

I'm looking for higher rates at year-end.

Stock Market

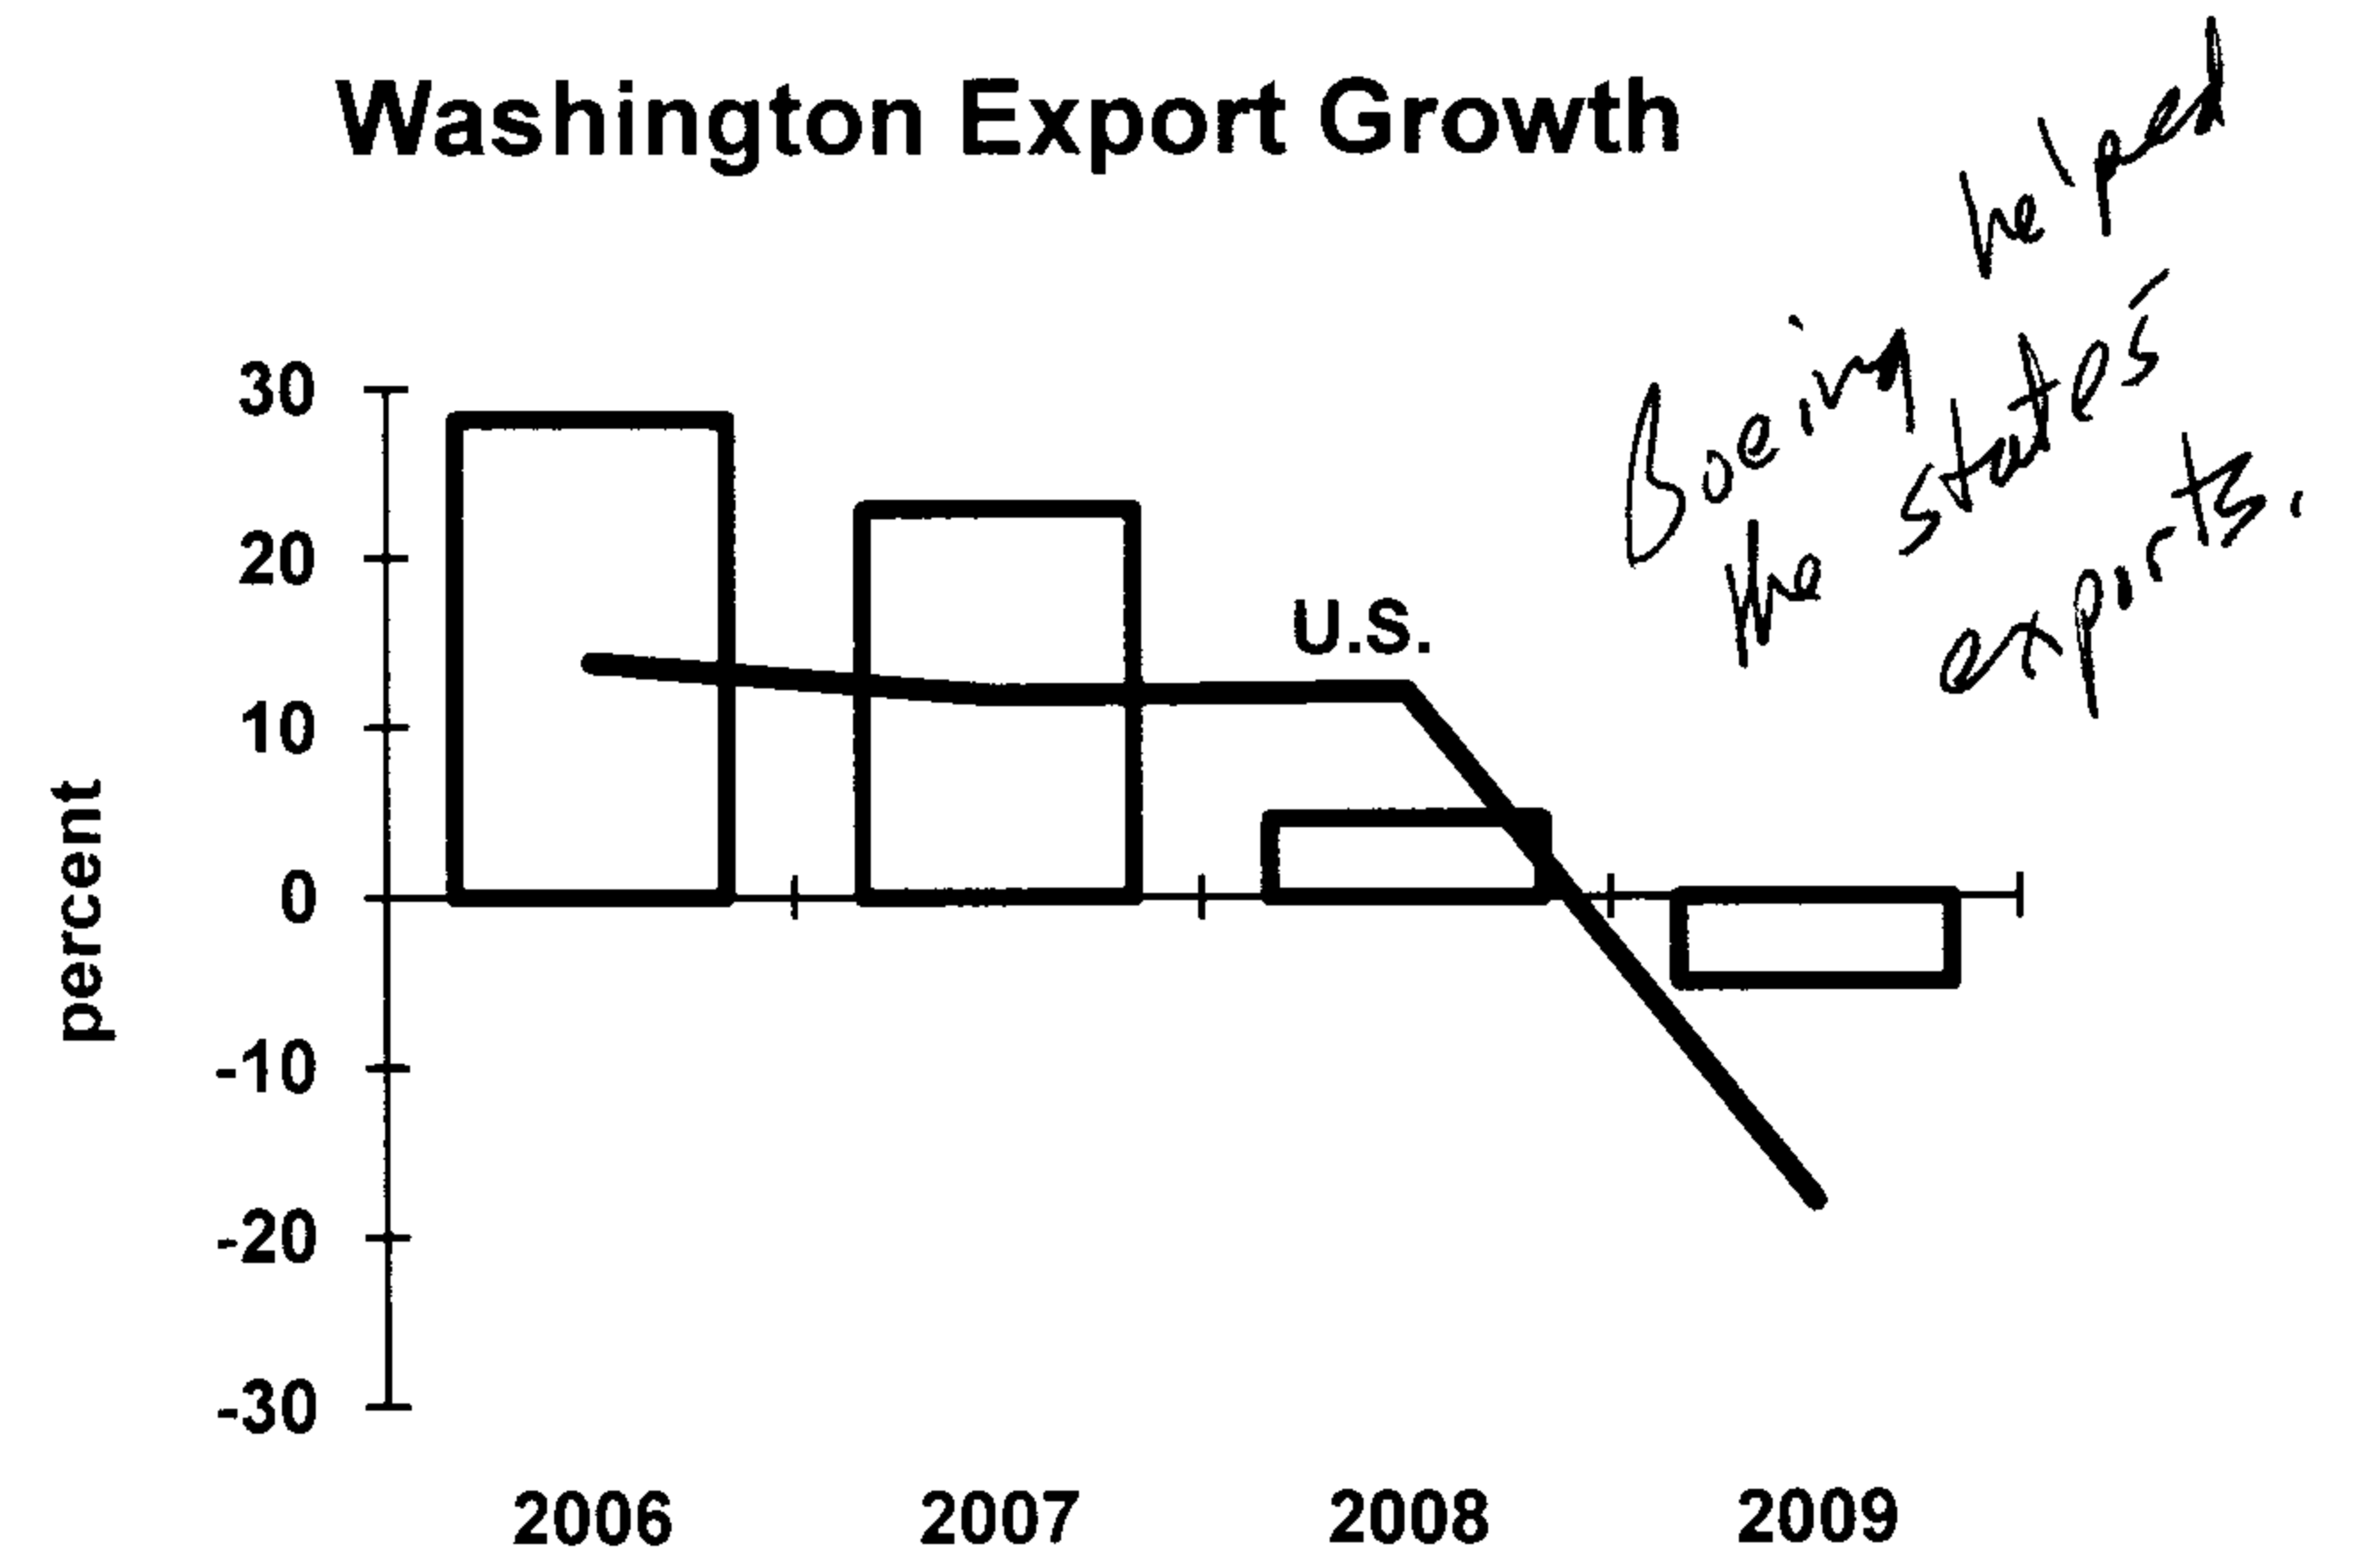

Likely to rise at a slower pace in rest of 2010.
