Businomics®: Connecting the Dots Between the Economy . . . and Business!

Consulting

Uncertain About the Future? Contingency planning can help you execute changes faster, and in a way consistent with core values and strategy. Call Dr. Conerly for his assistance.

What could go wrong?

Sounding Board: Want someone smart and knowledgeable, but not an employee, to talk to about your business? Dr. Conerly will spend a half day learning about your business, then be available for unlimited telephone consultation, for a reasonable monthly retainer. Call him to discuss your interest.

Free Resources

Forbes.com: Dr. Conerly's current insights into the economy--and what business leaders should have on their to-do lists--appears on Forbes.com.

Newsletter: The Businomics® Newsletter contains charts with Dr. Bill Conerly's comments on the latest data. It arrives monthly via email. To view a sample or sign up for a free subscription, go to

Speeches

Speeches: Dr. Bill Conerly has given over 1300 presentations in 32 states and four countries. He's got great content *and* great delivery--lots of humor and stories and actionable insights.

Call today!

Leadership in Today's Tight Labor Market: This new topic captures advice Dr. Conerly has been giving for 10 years on employee retention, recruiting, and productivity. Includes millennials: how to attract them to your jobs, how to get their best work.

The Flexible Stance: Thriving in a Boom/Bust Economy

Visualize a baseball game. A fast runner is on first base, looking to steal second. The runner takes a lead, then plants himself in a flexible stance. He's ready to run in either direction: to second base if he gets a chance to steal, or back to first base if the pitcher tries to pick him off. Using that stance in business is the subject of Dr. Bill Conerly's latest book, *The Flexible Stance: Thriving in a Boom/Bust Economy*.
