Speeches

Speeches: Dr. Bill Conerly has given over 1300 presentations in 32 states and five countries. He's got great content and great delivery--lots of humor and stories and actionable insights.

Leadership in Today's Tight Labor Market: This new topic captures advice Dr. Conerly has been giving for 10 years on employee retention, recruiting, and productivity. Includes millennials: how to attract them to your jobs, how to get their best work.

The Flexible Stance: Thriving in a Boom/Bust Economy

Visualize a baseball game. A fast runner is on first base, looking to steal second. The runner takes a lead, then plants himself in a flexible stance. He's ready to run in either direction: to second base if he gets a chance to steal, or back to first base if the pitcher tries to pick him off. Using that stance in business is the subject of Dr. Bill Conerly's latest book, *The Flexible Stance: Thriving in a Boom/Bust Economy*.
