Videos: Dr. Conerly's YouTube channel has videos on business planning, leadership in today's tight labor market, examples of videos to promote events and clips from speeches. Go to YouTube.com and search for "Bill Conerly."

Speeches

Webinar: Not a boring set of slides with dull narration, but an engaging and varied presentation of the latest economic forecast, with Dr. Conerly's well-known sense of humor, even on a dismal topic.

Speeches: Does your team want actionable ideas delivered with great stories and humor? Dr. Bill Conerly has given over 1300 presentations in 32 states and five countries, to rave reviews.

The Flexible Stance: Thriving in a Boom/Bust Economy

Visualize a baseball game. A fast runner is on first base, looking to steal second. The runner takes a lead, then plants himself in a flexible stance. He's ready to run in either direction: to second base if he gets a chance to steal, or back to first base if the pitcher tries to pick him off. Using that stance in business is the subject of Dr. Bill Conerly's latest book, *The Flexible Stance: Thriving in a Boom/Bust Economy*.
