### ***The Flexible Stance: Thriving in a Boom/Bust Economy***

Visualize a baseball game. A fast runner is on first base, looking to steal second. The runner takes a lead, then plants himself in a flexible stance. He's ready to run in either direction: to second base if he gets a chance to steal, or back to first base if the pitcher tries to pick him off. Using that stance in business is the subject of Dr. Bill Conerly's latest book, *The Flexible Stance: Thriving in a Boom/Bust Economy*.
